SUBJECT: School Landing Page Design – "Coming Soon" UI/UX Design Assignment

1. Task Objective

Design a simple, modern, and responsive **"Coming Soon" landing page** for a school website. The page should create a good first impression and inform visitors that the website is currently under development.

You may use **Figma or any design tool of your choice** to create the design.

2. Task Requirements

Your landing page should include the following:

- School logo (placeholder is acceptable)
- "Coming Soon" heading
- Short welcome or description text
- A simple illustration or image (optional)
- Contact information
- Social media icons (optional)
- Footer

The design should be clean, easy to read, and suitable for a school website.

3. Deliverable

Submit **one PDF** containing your final landing page design.

File Naming Format:

School_ComingSoon_YourName.pdf

Example:

School_ComingSoon_Rahul.pdf

4. Submission

Submit the exported PDF before the deadline.
